

# ABDUL BASIT SHAKEEL

## FRONT-END DEVELOPER

📞 +92 331 8035039 🗺️ Hyderabad, Pakistan 📩 basitshakeel2005@gmail.com

### ABOUT ME

I'm an accomplished and passionate Frontend Developer with a proven track record of building engaging, user-centric websites and web applications. Specializing in modern frontend technologies and design, I deliver responsive and highly interactive solutions that enhance user experience. My approach combines clean, semantic code, intuitive UI/UX design, and a strong focus on performance optimization, ensuring every project is aligned with both user needs and business objectives.
