Abdul Basit Shakeel

FRONTEND DEVELOPER

+92 331 8035039 | basitshakeel2005@gmail.com | LinkedIn | GitHub | Portfolio

SUMMARY

Frontend Developer with 2+ years of hands-on experience building high-performance and scalable web applications using React.js, Next.js, and TypeScript. Skilled in translating complex Figma UI/UX designs into responsive, accessible, pixel-perfect interfaces while optimizing speed, usability, and overall user experience. Experienced in component-based architecture, REST API integration and writing clean, maintainable, well-tested code following modern frontend best practices. Passionate about delivering user-focused solutions that enhance engagement and performance.

EXPERIENCE

Frontend Web Developer | Remote — July 2025 – Present

EmpireOne BPO Solutions — *Toronto, Ontario, Canada*

- Developed high-performance dashboards and web applications using React.js and Next.js, building 20+ reusable components used across 5+ production features.
- Reduced page load time by up to 35% using lazy loading, code splitting, and optimized rendering techniques.

Frontend Developer | Remote — Mar 2024 – June 2025

Synquix — *Hyderabad, Pakistan*

- Built scalable and type-safe web interfaces using React.js, TypeScript, and REST APIs, delivering 10+ production features across multiple client projects.
- Converted complex Figma UI/UX designs into 30+ reusable components integrated with backend APIs for seamless functionality.

Web Development Intern — Dec 2024 – Feb 2025

Grands Digital — *Hyderabad, Pakistan*

- Assisted in developing and maintaining 5+ responsive client-facing websites with a focus on usability and performance.
- Applied debugging techniques and frontend best practices to resolve UI issues and enhance cross-browser compatibility.

Web Development Intern | NAVTTC Program — Feb 2024 – May 2024

Verge Systems — *Hyderabad, Pakistan*

- Completed structured frontend development training with hands-on project implementation using modern web technologies.
- Strengthened core skills in responsive design, layout structuring, and building user-friendly web interfaces.

PROJECTS

TypeFlow Typing Platform Live Demo

Next.js, React.js, TypeScript, Tailwind CSS

- Developed an interactive typing platform with real-time WPM, accuracy, errors, and progress tracking.
- Built a responsive interface for a smooth typing experience across desktop and mobile devices.

Photo Enhancer Tool Live Demo

Next.js, Tailwind CSS, TypeScript

- Built a high-performance photo enhancement web app using Next.js with a clean, responsive, and user-friendly interface.
- Optimized image processing and frontend rendering for fast load times and smooth interaction across devices.

CRM Dashboard Live Demo

HTML5, CSS, JavaScript, Tailwind, Chart.js

- Developed a real-time CRM with 10+ interactive Chart.js visualizations for data-driven decision-making.
- Integrated REST APIs and optimized component rendering to improve performance and ensure smooth data handling.

Landing Pages & Business Websites

HTML5, CSS, JavaScript, Bootstrap, Tailwind, React.js and Next.js

- Created 15+ high-converting, responsive landing pages with modern UI and pixel-perfect design.
- Enhanced performance, accessibility, and cross-browser compatibility for production-ready deployments.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript (ES6+), TypeScript
Frameworks: React.js, Next.js, jQuery
State Management: React Context API, Redux
Styling: Bootstrap, Tailwind CSS, Sass, Styled Components, Responsive Design, Figma to Code
Data & Forms: REST APIs, Axios, TanStack Query (React Query), React Hook Form
Testing & Quality: Jest, React Testing Library, ESLint, Prettier
Tools: Git, GitHub, Jira, Vite, npm/yarn, Chrome DevTools
Deployment: Vercel, Netlify, GitHub Actions (CI/CD)
Soft Skills: Problem-Solving, Communication, Team Collaboration, Attention to Detail, Time Management

EDUCATION

Bachelor of Science in Software Engineering — **Oct 2025 – Present**
Iqra University — *Pakistan*

Intermediate (Pre-Engineering) — **Aug 2022 – Oct 2024**
Anees Hassan College — *Pakistan*

Matriculation — **Feb 2020 – Aug 2022**
Promising High School — *Pakistan*

CERTIFICATIONS

React JS Certificate
Udemy
- Strengthened online knowledge of component based development, state handling, and building responsive React applications.

Certified Web Developer
10 Pearls University
- Established a strong foundation in frontend technologies, including HTML, CSS, and JavaScript, with hands on development experience.

Certified Instructional Technologist (CIT)
Pixel House
- Developed and delivered technology-based instructional content using digital tools and interactive learning methods.
- Supported the design, implementation, and management of technology-enhanced learning activities and resources.
